Pathways to a Missional Future— Seeing the Church Through a Missional Lens

Friday, May 16, 5:30-9:30 p.m.

Saturday, May 17, 8 a.m. to 4 p.m.

At Zion

Zion and Pacific Northwest Mennonite Conference are partnering with Mennonite Mission Network to provide “Seeing the Church Through a Missional Lens,” a learning for engagement seminar. This seminar is geared to help congregations develop and sustain a culture of engaging in God’s mission.

Participants will explore how their congregations can become more involved in God’s mission in their congregation, community and abroad. Working in congregational groups, they will examine all aspects of their church life from a missional perspective and begin to develop ways the congregation can respond to God’s preferred future.

This seminar is especially for leaders and members from the worship, witness and service, and Christian education commissions, peace and justice groups, along with the pastoral team and elders and any young leaders in the congregation.

Speakers for the weekend are John H. Powell and Leo Hartshorn. The church will pay the registration fee. There will be a charge of \$15 per person for food and materials.
