The May "Here I Stand" meeting has been changed to June 1 (second date change!), due to a scheduling conflict. Please prepare for the meeting by answering the following question:

- *Think about your life in 5- to -10 year segments. For each segment, identify important beliefs or operating principles. Then go back and date as specifically as you can when you first thought each belief or principle.*

This question is designed to elicit a more complex and complete sequence of changing beliefs and principles than occasioned by last session's question. On the *Beliefs Chart*, facilitators will note information regarding changes in family and other relationships which regularly accompanies information on changing beliefs.

Those not present on March 9 will answer question #2, which is:

- *In what ways have you changed your mind? ("I once thought that. Then I changed my mind and thought this.")*
- *When would you date these changes?*

For Mother's Day we would like to have a slide show of Zion's mothers. If you would like to submit a photo of your mother, please send it to: Lanette Willig (willig@canby.com). Thanks.
