Pacific Northwest Mennonite Conference sessions will be held at Canby Grove Camp June 27-28. Registration materials are on the table in the foyer. You do not need to register if you only attend the evening worship sessions at 7:00 p.m. each evening. Featured speaker this year is J. Nelson Kraybill, President of Associated Mennonite Biblical Seminary in Elkhart.

As a final celebration after the weekend PNMC Conference June 27-28, we invite you to a potluck lunch after our worship service on Sunday, June 29. We may have a number of guests from other churches, so please bring plenty of food to share. Pacific Covenant and Calvary have been invited to join us and will also be bringing food.

An MCUSA Health Care Focus meeting will be held here at Zion on *Thursday, June 26, at 3:30 p.m.* Pastors and lay leaders are invited to come together for a two hour focus group meeting where you will hear the vision behind a plan that would provide access to healthcare and health insurance for all Mennonite Church USA pastors. You will see an estimate of what it would cost for your congregation to participate in a churchwide plan that would provide access to basic health insurance for all pastors. MCUSA is eagerly seeking your feedback and counsel on the proposed plan and an assessment of the prospect of your congregation participating in this plan.

Plastic grocery bags needed for a children's project at the conference on June 27 at Canby Grove Camp. Please bring what you have and put them on the sharing table on the east porch by next Sunday. Thanks.

Volunteers are still urgently needed to assist with the children's activities (post-kindergarten to Grade 5, usually about 20 children) on Friday, 8 am to 4:30 pm, during PNMC conference sessions at Canby Grove Camp. If you would be willing to help, please contact Karen Amstutz.

Suzie Voss at the Canby Adult Center is hosting her annual volunteer Ice Cream Social on Tuesday, June 17 at 12:30 at the Adult Center. *Everyone who has worked the past year is encouraged to drop by and be appreciated.*

The next "Here I Stand" meeting will be held July 6, beginning with a sack lunch at noon in the Fellowship Hall. Please prepare for the meeting by answering the following questions:

Can you think of changes in family or other important relationships around the times when you've adopted new beliefs or principles? What were those changes in family? What were those new beliefs?

Those not present on June 1 will answer question #3: Think about your life in 5- to 10-year segments. For each segment, identify important beliefs or operating principles. Then go back and date as specifically as you can when you first thought each belief or principle.

Habitat Happenings: Please reserve July 26 for Zion/Pacific Covenant build at Gervais. We want to raise **\$5000 for this Disciples Build in June**; designate Habitat on the bottom of your checks. Questions to Clyde Hockman.

Ronell Warner, Executive Director of The Canby Center, is organizing a **Canby Cares Day** on Saturday, July 19. This is a one day health fair where The Canby Center clients experience the love of Jesus through the provision of basic health and dental care, social services networking, education and FUN. The fair offers an opportunity for the Canby community to reach out and establish relationships with members of the community who find themselves in need.

Many volunteers are required to help with this event. They are in need of:

- Two dental hygienists
- Men/youth for setting up and breaking down (we have 56 canopies to put up and many, many tables and chairs)
- Parking and security
- Children's ministry
- Translators

To volunteer, call The Canby Center at 503-266-2920.
